### **Narrative Report - Learning Outcomes Assessment**

For the next section, please report learning outcomes - one for each of the 7.01, 7.02, 7.03, and 7.04 (for a total of four measures) of student learning and the related outcomes for each program. These outcomes should be a part of your

program's annual assessment plan as indicated in COAPRT standard 2.05.05 and will also be published on the COAPRT Program List webpage.

**You will complete this for each of your COAPRT accredited programs. For instance, if you have two accredited programs such as a Recreation Program and a Therapeutic Recreation Program, you will submit two sets of learning outcomes - one set for each program.**

It is strongly suggested that you have your outcomes with you as you complete this questionnaire.

TWO of the three outcomes must use direct measures. Some examples of DIRECT measures include the following:

- Capstone Assignment Quality
- Comprehensive Examination
- Internship Evaluation
- Performance of Relevant Skill
- Portfolio Evaluation
- Pre/Post Test Result
- Presentation Quality Project
- Quality Standardized Test Result
- Thesis/Project Quality
- Video/Audiotape Production Quality
- Written Assignment Evaluation
- Writing Exam Result

Some examples of INDIRECT measures include the following:

- Advisory Board Evaluation
- Alumni Survey
- Curriculum Review Result
- Employer Survey Result
- Exit/Student Interview Result
- Focus Group Result
- Graduate School Acceptance Rate
- Honors/Awards Received by the Program

## **Section 4: Narrative Report - Learning Outcomes Assessment**

Please provide the following information

COAPRT expects all programs to demonstrate that student learning outcomes associated with its 7.0 Series Learning Outcomes are met at a 70% level. Therefore, student achievement will be judged as appropriate when 70% or more of the students being assessed demonstrate that they have accomplished the learning outcome.

**PROGRAM (include name of program and description): Please provide a short description of this COAPRT program, it will be published on the COAPRT Program online directory.**

The COAPRT-accredited curriculum in Recreation Management at George Mason University provides students with the framework necessary for professional development, career

advancement, and graduate education through a combination of rewarding learning and practical experiences. Students pursue the BS in Recreation Management, with a concentration in Parks and Outdoor Recreation, Therapeutic Recreation, or an individualized program of study. Our graduates are prepared to make a difference in the lives and practices of individuals, families, and communities by informing policy, promoting economic development, advocating stewardship of natural resources, encouraging inclusive community service, bolstering lifelong recreation participation, and working to enhance overall quality of life. Students are exposed to the various facets of this dynamic and rapidly growing field through a combination of classroom and experiential learning opportunities, providing them with the knowledge and skills they need for career success.

**Provide the program-specific learning outcome consistent with COAPRT Standard 7.01: Students graduating from the program shall demonstrate the following entry-level knowledge: a) the nature and scope of the relevant park, recreation, tourism or related professions and their associated industries; b) techniques and processes used by professionals and workers in these industries; and c) the foundation of the profession in history, science and philosophy.**

Students graduating from the Recreation Management program shall demonstrate an ability to develop and articulate their personal philosophy of leisure, and a broad awareness of the profession and associated industries.

**Describe the method by which the learning outcome for Standard 7.01 was assessed:**

Students in RMGT 210, Introduction to Recreation and Leisure, are required to complete an activity participation and economic log entailing the monitoring and analysis of personal recreation and leisure activities and their expenses. Additionally, they are required to write a paper (with citations) documenting their personal philosophy of leisure, perspectives on participation and spending, and the relationship of these findings to the development of the profession and associated industries.

**Indicate whether this outcome measure is Direct or Indirect.**

Direct

**State your program's standard for demonstrating that your Student Learning Outcome for 7.01 was successfully achieved.**

70% of the Recreation Management students are expected to earn at least a "3-Competent" or better on each 7.01-aligned rubric indicator.

**Result of the assessment of the learning outcome for Standard 7.01:**

In Calendar Year 2025, over 70% of the Recreation Management students in RMGT 210 earned at least a "3-Competent" on each 7.01-aligned rubric indicator.

**Please provide the program-specific learning outcome consistent with COAPRT Standard 7.02. Students graduating from the program shall be able to demonstrate the ability to design, implement, and evaluate services that facilitate targeted human experiences and that embrace personal and cultural dimensions of diversity.**

Students graduating from the Recreation Management program shall complete and present (orally and in writing) a Program Plan that can be implemented and evaluated in future courses (including the internship).

**Describe the method by which the learning outcome for Standard 7.02 was assessed:**

Students in RMGT 310, Program Planning and Evaluation, are required to develop a program plan comprising mission; program description; goals and objectives; operational criteria (e.g., accommodations; equipment/supplies; promotional website; staffing, venue and activity plans); and evaluation tools to demonstrate the ability to design and implement services.

**Please indicate whether this outcome measure is Direct or Indirect.**

Direct

**State your program's standard for demonstrating that your Student Learning Outcome for 7.02 was successfully achieved.**

70% of the students are expected to earn at least a "3-Competent" or better on each 7.02-aligned rubric indicator.

**Result of the assessment of the learning outcome for Standard 7.02:**

In Calendar Year 2025, 100% of the Recreation Management students in RMGT 310 earned at least a "3-Competent" or better on each 7.02-aligned rubric indicator.

**Please provide the program-specific learning outcome consistent with COAPRT Standard 7.03. Students graduating from the program shall be able to demonstrate entry-level knowledge about operations and strategic management/administration in parks, recreation, tourism and/or related professions.**

Students graduating from the Recreation Management program shall complete and present (orally) a program presentation that demonstrates the following learner outcomes:

- \* Discuss management practices and principles developed and successfully used in business, industry and public agencies.
- \* Identify problems affecting the management and operation of organizations and the delivery of sport, recreation and tourism services.
- \* Discuss the principles of organizing, allocating and managing organizational resources in order to provide equitable delivery of sport, recreation and tourism services.

**Describe the method by which the learning outcome for Standard 7.03 was assessed:**

Students in RMGT 410, Administration of SRT Organizations I, are required to develop a project presentation incorporating recent research about the type of organization selected for the semester-long project. This presentation references the content of four course assignments in which students describe a select organization's purpose, mission, history, and services;

develop an organizational plan including goals, actions, a vision, and a plan for overcoming anticipated challenges; and create a plan for staffing the organization, including interpreting and describing its organizational chart and structure, writing a job description, and designing a series of interview questions.

**Please indicate whether this outcome measure is Direct or Indirect.**

Direct

**State your program's standard for demonstrating that your Student Learning Outcome for 7.03 was successfully achieved.**

70% of students are expected to earn at least "Competent" on the "Content Areas" and "Evidence of Research" rubric indicators.

**Result of the assessment of the learning outcome for Standard 7.03:**

In Calendar Year 2025, 72% of the Recreation Management students in RMGT 410 earned at least "3-Competent" on each 7.03-aligned rubric indicator.

**Please provide the program-specific learning outcome consistent with COAPRT Standard 7.04. Students graduating from the program shall demonstrate, through a comprehensive internship of not less than 400 clock hour and no fewer than 10 weeks, the potential to succeed as professionals at supervisory or higher levels in park, recreation, tourism or related organizations.**

Students graduating from the Recreation Management program shall demonstrate, through a comprehensive internship of not less than 400 clock hours and no fewer than 10 weeks, the potential to succeed as professionals at supervisory or higher levels in park, recreation, tourism, or related organizations.

**Describe the method by which the learning outcome for Standard 7.04 was assessed:**

Students in RMGT 490, Internship, are required to complete a final presentation to a panel of faculty and students providing an overview of the internship agency, services, personnel, supervision; their specific internship responsibilities; challenges faced during their internship; their special project; and what they have learned from the internship experience (specifically, how their past experiences and coursework have enhanced their internship and all aspects of their work, and how the internship will, in turn, influence their future career directions).

**Please indicate whether this outcome measure is Direct or Indirect.**

Direct

**State your program's standard for demonstrating that your Student Learning Outcome for 7.04 was successfully achieved.**

80% of students will score "3-competent" or better on each 7.04-aligned rubric indicator.

**Result of the assessment of the learning outcome for Standard 7.04:**

In Calendar Year 2025, over 80% of the Recreation Management students in RMGT 490 earned at least a "3-Competent" on each 7.04-aligned rubric indicator.

## **Section 5: Narrative Report - Accountability and Informing the Public**

An important aspect of accreditation is accountability. It is expected that the program annually posts 7.0 series aggregated data and additional evidence reflecting program academic quality and student achievement on their program and/or departmental website. Such information shall be consistent with The Family

Educational Rights and Privacy Act (FERPA) requirements (Standard 2.05.05).

Please provide a link to the program's website that demonstrates compliance with Standard 2.05.05.

<https://srtm.gmu.edu/accreditation/coaprt>  
(<https://srtm.gmu.edu/accreditation/coaprt>)

It is expected that a program has a practice of informing the public about the harm of degree mills and accreditation mills (Standard 3.06).

Please provide a link to the program's website demonstrating compliance with Standard 3.06.

<https://srtm.gmu.edu/accreditation/coaprt>  
(<https://srtm.gmu.edu/accreditation/coaprt>)

It is expected that the program has a practice of informing the public about their COAPRT accredited programs (Standard 3.07).

Please provide a link to the program's website demonstrating compliance with Standard 3.07.

## **Section 6: Program Changes**

Clearly describe any major changes for the reporting year in the program's strategic plan, curriculum, resources, administration, or other areas of the program directly related to accreditation standards. Please include the Standard number. If there are no major changes in any of these areas, please just indicate "none".

The program developed a minor in the Human Dimensions of Natural Resource Recreation (HDNRR) together with an experiential fieldwork course on HDNRR management.

**The responses are self reported and the responsibility for the accuracy of the content is on behalf of the program.**
