HONOR CODE:

George Mason shares in the tradition of an honor system that has existed in Virginia since 1842. The Honor Code is an integral part of university life. On the application for admission, students sign a statement agreeing to conform to and uphold the Honor Code. Students are responsible, therefore, for understanding the code's provisions. In the spirit of the code, a student's word is a declaration of good faith acceptable as truth in all academic matters. Cheating and attempted cheating, plagiarism, lying, and stealing of academic work and related materials constitute Honor Code violations. To maintain an academic community according to these standards, students and faculty must report all alleged violations

to the Honor Committee. Any student who has knowledge of, but does not report, a violation may be accused of lying under the Honor Code. With this in mind, all students in this course are held to the strictest standards of the George Mason University Honor Code.

STUDENT SUPPORT:

Any eligible student with an exceptionality documented through George Mason University's Disability Resource Center must notify the instructor so that suitable accommodations can be implemented. The notification should take place during the **first week** of classes. **Office of Disability Services** *Phone* (703) 993-2474 http://ods.gmu.edu
