

GEORGE MASON UNIVERSITY
School of Recreation, Health, and Tourism

SPMT 405 001 —Sports Operation and Planning (Facilities and Venues) (3)
Spring 2016

DAY/TIME:	M/W 9:00am – 10:15am	LOCATION:	West Room 1004
Instructor:	Megan Hare	EMAIL ADDRESS:	mhare@gmu.edu
OFFICE HOURS:	By appointment only		

COURSE DESCRIPTION

Principles and techniques of planning and operating sport facilities. Emphasizes the principles and concepts of organization and administration including communication, personnel management, management of physical resources, and risk management. Examines a variety of sport operations such as indoor stadiums, athletic field complexes, and managing recreation and intramural activities.

COURSE OBJECTIVES

Upon satisfactory completion of the course, the student will be able to demonstrate an understanding of athletic and recreation facility management concepts such as:

1. Understand the use of needs assessments, feasibility studies, focus groups and surveys in facility planning and operations.
2. Understand how risk management is part of the ongoing process of planning and operation of sport and recreation facilities.
3. Understand the operational structure and management concepts associated within the operation of sport and recreation facilities
4. Utilize the case analysis process to compare the management and operations of different sport and recreation facilities.
5. Function as a productive member of a management team and identify the factors involved in successful team management.

COURSE OVERVIEW

The course relies heavily on participative and experiential learning. The requirements reflect the demands of the course. Students will be expected to respect the following policies.

1. Attend all classes for the entire class session.

2. No cell phones; which includes text messaging.
3. Laptops cannot be used without instructor permission.
4. Participate in group/class activities. Participation is expected and is an essential part of class.
5. Plagiarism, cheating or any other form of academic dishonesty will be referred to the Honor Code committee of George Mason University.
6. NO grades or discussion of grades, test/exams or test appeals will be carried out over email due to its impersonal nature and security issues. Students can discuss their grades with the instructor in person.
7. If a student misses a class, it's the students' responsibility to find out what happened during that class or meeting and obtain the notes and assignments from another student in the class.
8. If you have a diagnosed and documented disability which may cause you to have difficulties with any portion of the policies and requirement of the course, please contact me as soon as possible so that arrangements for suitable alternative or accommodations can be made and coordinate with the Office of Disability Support Services.
9. No tape recording of lectures/classes is allowed unless there are extraordinary circumstances of which you have made the instructor aware.
10. Students must use their MasonLIVE email account to receive important University information, including messages related to this class. See <http://masonlive.gmu.edu> for more information.
11. Dress code for all presentations will consist of business casual at minimum.
12. All papers and citations are expected to use MLA style. For further information on MLA style, please consult <https://owl.english.purdue.edu/owl/resource/747/01/>.
13. All assignments must be printed out and turned into receive credit. Emailed assignments will NOT be accepted.

Student Expectations

- Students must adhere to the guidelines of the George Mason University Honor Code [See <http://academicintegrity.gmu.edu/honorcode/>].
- Students with disabilities who seek accommodations in a course must be registered with the George Mason University Office of Disability Services (ODS) and inform their instructor, in writing, at the beginning of the semester [See <http://ods.gmu.edu/>].
- Students must follow the university policy for Responsible Use of Computing [See <http://universitypolicy.gmu.edu/1301gen.html>].
- Students are responsible for the content of university communications sent to their George Mason University email account and are required to activate their account and check it regularly. All communication from the university, college, school, and program will be sent to students solely through their Mason email account.
- Students must follow the university policy stating that all sound emitting devices shall be turned off during class unless otherwise authorized by the instructor.

Campus Resources

- The George Mason University Counseling and Psychological Services (CAPS) staff consists of professional counseling and clinical psychologists, social workers, and counselors who offer a wide range of services (e.g., individual and group counseling, workshops and outreach programs) to enhance students' personal experience and academic performance [See <http://caps.gmu.edu/>].
- The George Mason University Writing Center staff provides a variety of resources and services (e.g., tutoring, workshops, writing guides, handbooks) intended to support students as they work to construct and share knowledge through writing [See <http://writingcenter.gmu.edu/>].
- For additional information on the College of Education and Human Development, School of Recreation, Health, and Tourism, please visit our website [See <http://rht.gmu.edu>].

PROFESSIONAL BEHAVIOR: Students are expected to exhibit professional behaviors and dispositions at all times.

CORE VALUES COMMITMENT: The College of Education and Human Development is committed to collaboration, ethical leadership, innovation, research-based practice, and social justice. Students are expected to adhere to these principles.
