REQUIRED TEXTS

Swarbrooke, D. B. (1999), Sustainable Tourism Management. Wallingford: CABI International.

COURSE PERFORMANCE EVALUATION

This course will be graded on a point (and NOT on a percentage) system, with a total of 250 possible points. There are 5 grading requirements, namely: (1) participation; (2) group video presentation; (3) research paper; and (4) on-line quizzes. All assignments must be submitted on Blackboard. Each requirement is briefly introduced below.

Late work will not be accepted in this class.

1. Participation (40 points) includes:

A. **In-class discussion presentation:** Each student will be required to present a 5-minute topic of their choice to the class and lead the class in a discussion about their topic. While your assigned date will coincide with the assigned date of others in your group, **this is an individual activity**, so that on each week, each member of the group will present their discussion. For example, during week 4, each member of group 1 will be required to present their individual discussion topic. All students not in group 1 will be required to actively participate in the class discussion. (5 points)

B. **Blackboard Discussion Questions:** Each week, there is one discussion question on Blackboard. You are required to respond to each question. Your answers will be graded based upon quality, depth and application to the subject material. These questions should be addressed upon completion of the corresponding module. All reflection questions will close and be graded two weeks before the last day of class (November 30, 2015). (10 points)

C. **Peer review of final group projects:** All final group projects are peer graded by the members of this class. You will be sent a SurveyMonkey link prior to the start of final group projects presentations. You are responsible for viewing all group projects presentations and submitting your grades via the SurveyMonkey link on the day you view the presentation. Attendance will be mandatory on these days. (10 points)

D. **Class attendance:** You are required to attend class. Excused absences will require a note from a qualified professional. (10 points)

E. **In-class participation:** This course requires extensive discussion about the subject material. Therefore, you are expected to speak in class, share your thoughts on the subject material and participate in group discussions. (5 points)

2. Quizzes (100 points)

At the end of each module, you are required to complete a 10-point quiz based on both the reading assignments and the lectures. These quizzes are timed (20 minutes) and you are allowed one attempt at each quiz. Therefore, you are encouraged to study the materials before starting the quiz. There are 11 modules, therefore, 11 quizzes. The lowest score will be dropped resulting in 10 graded quizzes.

3. Final group video projects (40 points):

By the end of the second week of the semester you will be assigned to a group. Each group is required to prepare and present a 20-minute video highlighting “why sustainability is important in Hospitality, Tourism and Event Management”. No formal written paper is required, but the videos must be uploaded on blackboard (1 per group). Group presentations are graded in two formats. A score out of 20 points will be determined by the class through an anonymous SURVEYMOKEY link. The other score out of 20 points will be determined by your group members. The project guidelines and grading rubric are available in Blackboard under the ASSIGNMENTS section. **Group videos are due 12/6/2015 at 11:59pm.**

4. Research paper (70 points):

You are required to research a topic of your choice related to tourism and sustainability. The paper will be submitted in three separate phases via SafeAssign. The research paper guidelines are available in Blackboard under the ASSIGNMENTS section. **Safeassign is designed to detect plagiarism. Plagiarized papers will not be graded.**

Note: SafeAssign will help you to identify how to properly attribute sources rather than paraphrase as well as to make sure that you are compliant with GMU’s Honor Code. Please check the due dates for each phase.

Phase 1 – Abstract and outline:

- An abstract of 100 words will concisely describe the topic to be covered, the general arguments and the conclusion that the paper will draw. The outline will consist of the topic sentences for each paragraph to be included in the paper.
- Total points for abstract and outline – 10 points

Phase 2 – First Draft

- A rough draft of the paper will need to be submitted. It should be formatted as if it were the final paper and include all subject material, references and be appropriately cited.
- Total points for first draft – 20 points

Phase 3 – Final Draft

- Total points for final draft – 40 points
