**PREREQUISITES**

Graduate Standing. All other coursework with the exception of concurrent capstone

**COURSE DESCRIPTION**

Scholarly forum for the presentation and discussion of contemporary topics in sport and recreation studies. Graduate students, faculty, and visiting scholars/practitioners share ongoing research and practical applications. Offered by Recreation, Health & Tourism. May not be repeated for credit.

**COURSE OVERVIEW**

The Seminar in Sport and Recreation Studies provides a forum for graduate students to present to other graduate students, faculty, and visiting scholars/practitioners topics of their choice. In most cases, research and practical applications will be based on student thesis, project, or internship efforts, and prospective outcomes. Since the same work may not be assigned credit in different academic courses of the graduate program, presentations and discussion in this graduate seminar should not consist of exactly the same work as that presented in previous courses. All presenters will be asked to submit an abstract; for students, these must be approved in advance by their thesis/project/internship chair/supervisor. Attendance at the Seminar is a required component of the graduate program. All students will be required to present at least once. Please see Graduate Student Handbook for further information. All graduate students in the program will be encouraged to participate in Seminar meetings as a means for interacting with students and faculty in a scholarly community.

**COURSE DELIVERY METHOD**

Seminar

**LEARNER OUTCOMES AND COURSE OBJECTIVES**

This course is designed to enable students to do the following:

1. Critically consider the broad range of topics in sport and recreation studies and allied fields, from theoretical, methodological, and professional practice perspectives.

2. Develop and deliver a scholarly presentation based on research or practice, and lead an informed discussion.
3. Engage in opportunities for enhancement of professional development

## **PROFESSIONAL STANDARDS** [Commission of Sport Management Accreditation (COSMA)]

Upon completion of this course, students will have met the following professional standards:

Courses offered in the Sport and Recreation Studies (SRST) graduate program are guided by the principles of COSMA. COSMA (2016, p. 1) “bases its accrediting process on principles, rather than standards.” The eight recommended principles are:

- outcomes assessment;
- strategic planning;
- curriculum;
- faculty;
- scholarly and professional activities;
- resources;
- internal and external relationships; and
- educational innovation.

For more information, please see:

Commission of Sport Management Accreditation. (2016, May). *Accreditation principles manual & guidelines for self-study preparation*. Retrieved November 30, 2016 from <http://www.cosmaweb.org/accreditation-manuals.html>

## **REQUIRED TEXTS**

None

## **COURSE PERFORMANCE EVALUATION**

Students are expected to submit all assignments on time in the manner outlined by the instructor (e.g., Blackboard, Tk20, hard copy).

Grades will be assigned on the basis of participation (10%); an abstract (20%); and scholarly presentation and discussion based on research, thesis, project, internship or practice (70%).

Other Requirements: **Regular attendance is required**. A note must be submitted for all absences. An unexcused absence results in a failing grade. Active participation in the discussion, typically at the end of a talk, will enhance the experience for speaker and audience.

Grading: Since the Seminar in Sport and Recreation Studies is designed to provide a guided learning experience, grades will be assigned on an S (satisfactory) or U (unsatisfactory) scale. On this graduate scale, S is equivalent to a B or better, and U is equivalent to a B- or lower. An overall indication of “competence” as assessed by the matrix will satisfy satisfactory completion of the course.

See the attached rubric for the presentation. Note that failure to do any assignment or if you have an unexcused absence, you will fail the course.

<b>Requirements</b>	<b>Points</b>
<i>Attendance and Participation</i>	25
<i>Abstract</i>	25
<i>Presentation</i>	50

### CORE VALUES COMMITMENT

The College of Education and Human Development is committed to collaboration, ethical leadership, innovation, research-based practice, and social justice. Students are expected to adhere to these principles: <http://cehd.gmu.edu/values/>.

## GMU POLICIES AND RESOURCES FOR STUDENTS

### *Policies*

- Students must adhere to the guidelines of the Mason Honor Code (see <http://oai.gmu.edu/the-mason-honor-code/>).
- Students must follow the university policy for Responsible Use of Computing (see <http://universitypolicy.gmu.edu/policies/responsible-use-of-computing/>).
- Students are responsible for the content of university communications sent to their Mason email account and are required to activate their account and check it regularly. All communication from the university, college, school, and program will be sent to students **solely** through their Mason email account.
- Students with disabilities who seek accommodations in a course must be registered with George Mason University Disability Services. Approved accommodations will begin at the time the written letter from Disability Services is received by the instructor (see <http://ods.gmu.edu/>).
- Students must follow the university policy stating that all sound emitting devices shall be silenced during class unless otherwise authorized by the instructor.

### *Campus Resources*

- Support for submission of assignments to Tk20 should be directed to [tk20help@gmu.edu](mailto:tk20help@gmu.edu) or <https://cehd.gmu.edu/api/tk20>. Questions or concerns regarding use of Blackboard should be directed to <http://coursesupport.gmu.edu/>.
- The George Mason University Writing Center staff provides a variety of resources and services (e.g., tutoring, workshops, writing guides, handbooks) intended to support students as they work to construct and share knowledge through writing (see <http://writingcenter.gmu.edu/>).
- The George Mason University Counseling and Psychological Services (CAPS) staff consists of professional counseling and clinical psychologists, social workers, and counselors who offer a wide range of services (e.g., individual and group counseling, workshops and outreach programs) to enhance students' personal experience and academic performance (see <http://caps.gmu.edu/>).
- The George Mason University Office of Student Support staff helps students negotiate life situations by connecting them with appropriate campus and off-campus resources. Students in need of these services may contact the office by phone (703-993-5376). Concerned students, faculty and staff may also make a referral to express concern for the safety or well-being of a Mason student or the community by going to <http://studentsupport.gmu.edu/>, and the OSS staff will follow up with the student.

**For additional information on the College of Education and Human Development, please visit our website <https://cehd.gmu.edu/>.**

## **BLACKBOARD REQUIREMENTS**

Every student registered for any (Sport and Recreation Studies program) course with a required performance-based assessment is required to submit this assessment (group writing assignments, case study presentations, research paper and weekly on-line quizzes) to Blackboard (regardless of whether a course is an elective, a one-time course or part of an undergraduate minor). Evaluation of the performance-based assessment by the course instructor will also be completed in Blackboard. Failure to submit the assessment to Blackboard will result in the course instructor reporting the course grade as Incomplete (IN). Unless the IN grade is changed upon completion of the required Blackboard submission, the IN will convert to an F nine weeks into the following semester.
