University Catalog Course Description

Focuses on promotion of lifelong health and fitness via noncompetitive and informal outdoor activities. Introduces safety, skills, and leadership techniques. Covers sustainable use, conservation, and stewardship of natural resources.

Course Overview

We are all held to the standards of the George Mason University Honor Code. Because your contributions are so important to this course, we will all be expected to attend all class sections, actively participate in class discussions, complete in-class exercises and fulfill all assignments. Assignments are due at the beginning of class on the specified date due. **Papers received AFTER 10:30 a.m. will be considered late and receive a 20% deduction in points per 24 hour period.** If you have an extreme emergency or are participating in a pre-approved university-sponsored function, there may be some exceptions. However, you'll need to discuss these issues with me prior to the due date in order to be considered for exception. I also recommend you make back-up copies of your assignments since computers have been known to crash.

Course Delivery Method

This course is a mixture of classroom lectures, outdoor instruction, in class presentations as individuals and in groups, and assignments outlined on the Blackboard learning management system (LMS) housed in the MyMason portal. You will log into the Blackboard course site using your Mason email name (everything before @masonlive.gmu.edu) and email password. The course site will be available on September 7, 2018. Communication is an important part of this course; therefore, I ask that you check Blackboard **each morning for course communications**. Be particularly aware of weather announcements.

LEARNER OUTCOMES AND COURSE OBJECTIVES

At the completion of this course, students should be able to:

1. Discuss the need for outdoor education/recreation in American society today by:
 - a. Understanding the history of leisure in American culture.
 - b. Identifying the psychological benefits of outdoor recreation and education.
 - c. Collecting and documenting current articles relating to leisure, health, and outdoor recreation trends.
 - d. Identifying the differences among national, regional, and local conservation agencies and their roles in outdoor recreation/education.
 - e. Identifying ways outdoor recreation activities benefit youth in schools to become self-motivated learners.
2. Learn the essentials of group building and team building by:
 - a. Participating as a class in Group Initiative activities
 - b. Identifying and defining the theories which support the educational benefits of experiential education.
 - c. Being involved in and learning a variety of team building activities to incorporate into classroom learning or classroom activities to promote mutual respect, support for others, and cooperative participation.
3. Develop and plan an outdoor recreation lesson for school aged youth:
 - a. Converting course material and field experience into an Outdoor Recreation lesson plan which incorporates Fairfax County Program of Studies for Physical Education.
 - b. Teaching an activity from your lesson plan to fellow students through an in-class presentation.
4. Learn a variety of outdoor skills and develop an appreciation for the outdoors by:
 - a. Developing a "Leave No Trace" land ethic through direct involvement in outdoor recreation activities.
 - b. Practicing and participating in hands-on outdoor recreation and outdoor education activities.

PROFESSIONAL STANDARDS

Upon completion of this course, students will meet the following professional standard:

7.02 Students graduating from the program shall be able to demonstrate the ability to design, implement, and evaluate services that facilitate targeted human experiences and that embrace personal and cultural dimensions of diversity.

GMU POLICIES AND RESOURCES FOR STUDENTS

Policies

- Students must adhere to the guidelines of the Mason Honor Code (see <http://oai.gmu.edu/the-mason-honor-code/>).
- Students must follow the university policy for Responsible Use of Computing (see <http://universitypolicy.gmu.edu/policies/responsible-use-of-computing/>).
- Students are responsible for the content of university communications sent to their Mason email account and are required to activate their account and check it regularly. All communication from the university, college, school, and program will be sent to students solely through their Mason email account.
- Students with disabilities who seek accommodations in a course must be registered with George Mason University Disability Services. Approved accommodations will begin at the time the written letter from Disability Services is received by the instructor (see <https://ds.gmu.edu/>).
- Students must silence all sound emitting devices during class unless otherwise authorized by the instructor.

Campus Resources

- Questions or concerns regarding use of Blackboard should be directed to <http://coursesupport.gmu.edu/>.
- The George Mason University Writing Center staff provides a variety of resources and services (e.g., tutoring, workshops, writing guides, handbooks) intended to support students as they work to construct and share knowledge through writing (see <http://writingcenter.gmu.edu/>).
- The George Mason University Counseling and Psychological Services (CAPS) staff consists of professional counseling and clinical psychologists, social workers, and counselors who offer a wide range of services (e.g., individual and group counseling, workshops and outreach programs) to enhance students' personal experience and academic performance (see <http://caps.gmu.edu/>).
- The George Mason University Office of Student Support staff helps students negotiate life situations by connecting them with appropriate campus and off-campus resources. Students in need of these services may contact the office by phone (703-993-5376). Concerned students, faculty and staff may also make a referral to express concern for the safety or well-being of a Mason student or the community by going to <http://studentsupport.gmu.edu/>, and the OSS staff will follow up with the student.

Final Project 2018
PRLS 316: Outdoor Education and Leadership Lesson Plan
Rubric

POINTS: 100 points

The purpose of this assignment is to allow you to work in teams to develop an Outdoor Education/Recreation lesson plan, teach an activity from the lesson plan, and have it critiqued by your colleagues.

Your task is to prepare a 20 minute lesson plan, 15 minutes of instruction and 5 minutes to debrief and wrap up the lesson. We will discuss your lesson as a group at the end of your presentation.

Include the following as part of this assignment is a WRITTEN component and an ACTION component.

WRITTEN COMPONENT

1) **A typewritten planning sheet (Professor's template) for the Facilitator(s) that includes:**

- a. Topic
- b. Title of the session
- c. Location where activity can take place
- d. Objectives of the activity
 - i. Identify at least **2 specific physical skills** participants should learn or refine
 - ii. Identify at least **2 specific leadership skills** participants should learn or refine
 - iii. Identify at least **1 specific cognitive or emotional skill** participants should learn or refine.
- e. All Equipment/Materials needed
- f. Any preliminary knowledge/activities that must take place prior to this program for your participants
- g. Any prior knowledge the Facilitator should have before conducting this lesson
- h. Your references
 - i. Include a list of sources you used to develop your lesson plan
 - ii. Include a list of additional resources for those who "want to learn more"

2) **A set of typewritten directions for a fellow Facilitator to follow:**

- a. This is helpful if someone else would like to use your lesson plan in the future.
- b. A great way to see if your directions are adequate is to give the directions to a friend, ask them to try and follow them, and see if they can duplicate your program.

3) **A typewritten set of "debriefing" instructions:**

- a. You would typically identify skill(s) the participants may have learned in your program.
- b. You should also discuss how the participants can transfer this information to their professional practice.

ACTIVE/Presentation (Everyone is expected to attend both presentation day.)

1) **Implementation of an interactive activity appropriate to your client population:**

- a. The program is to be implemented
- b. Teach an outdoor recreation-related activity from your lesson plan
